Awareness Bulletin #4

December 2018

Welcome

On behalf of the Geelong Region Cancerians (GRC), welcome to the fourth edition of our Awareness Bulletin.

Update since our August 2018 edition

Grand Final Week Celebration @ Piano Bar

This event was generously hosted by Piano Bar owner Andy Pobjoy who is also a GRC committee member. Held on Sunday afternoon of September 23 with grazing platters and great entertainment, it was voted a success by all in attendance.

In the lead up to the Collingwood v West Coast Eagles Grand Final, guests were entertained by Dwayne Russell a former Geelong Cats player and media personality together with Tom King a broadcaster, commentator and the editor for football at Geelong's home of footy: K-Rock.

We were pleased to receive the following testimonial: I was absolutely thrilled to be able to attend the Geelong Cancerians' fundraiser at the Piano Bar in September '18. I knew I would be supporting a wonderful cause at my favourite venue. I was a little confused when the two men who took the stage didn't have dresses on but it turned out they knew everything about football and talked knowledgeably and with humour about the season and the upcoming grand final. They both picked the winner. It was thoroughly entertaining, even for a non-football fan. My friend and I will be back again next year with others. Jacqui Bennett, Humans in Geelong.
