## Awareness Bulletin #9

July 2020

### Welcome

On behalf of the Geelong Region Cancerians (GRC) we trust you are staying well and positive during these challenging times.

Welcome to the ninth edition of our Awareness Bulletin.

### A thank you message from the GRC Founder

Geelong Region Cancerians annual giving campaign has received a significant boost with a \$1,000 donation from Lake Imaging-Geelong. The donation will be received from Lake Imaging at the end of July 2020.

The annual giving campaign is striving to raise \$5,000 for cancer research, with all monies being directed to the Australian Cancer Research Foundation (ACRF).

ACRF is the only charity in Australia dedicated to ending all forms of cancer by exclusively funding cutting-edge technologies, state-of-the-art equipment, and facilities that researchers and clinical teams need to fast-track discoveries and new treatments.

You can contribute, through giving a donation to the Geelong Region Cancerians Annual Giving Campaign 2020 <https://www.givenow.com.au/geelongregioncancerians>

The Geelong Region Cancerians acknowledge and thank those generous donors who like Lake Imaging-Geelong have already donated. They also are to be congratulated for wanting to make a difference in the community.

The Geelong Region Cancerians friends and supporters are very much appreciated and thanked for sharing our aim, mission, and vision in the knowledge that the achievements of the Geelong Region Cancerians will be immeasurable for those in Geelong and the wider community.

The Annual Giving Appeal finishes 31 December 2020.
