## Awareness Bulletin #10

August 2020

### Welcome

On behalf of the Geelong Region Cancerians (GRC) we trust you are staying well and positive during these challenging times.

Welcome to the tenth edition of our Awareness Bulletin.

### Annual Giving Campaign

Earlier in the year Gforce Employment Solutions confirmed their sponsorship of our TRIVIA Night which under COVID-19 became our current Pie Drive fundraiser.

We thank Gforce for donating their sponsorship to our Annual Giving Campaign.

The annual giving campaign is striving to raise \$5,000 for cancer research, with all monies being directed to the Australian Cancer Research Foundation (ACRF).

You can contribute through <https://www.givenow.com.au/geelongregioncancerians>

### Support businesses that support cancer research

It's often the simplest things that can have the most significant impact. And gardening is just one such example. Scientifically proven, to improve wellbeing, gardening can help quickly boost your physical and mental health.

We appreciate your efforts in following the COVID-19 restrictions. Look after yourself and your loved ones during this time and, if you are feeling unwell, please stay home.

We have a COVID-safe plan in place to ensure we can continue serving our customers responsibly during Stage 3 in the Geelong region. These include measures on routine cleaning, hand sanitizing, social distancing and staff training.

If you'd like to know more, you can view our COVID policy at [diacos.com.au](https://diacos.com.au).

As always, your support means a lot. You can still visit Tim and Kate in-store at 140 Bellarine Highway, Newcomb.

**Geelong Breast Clinic** (GBC) in Gheringhap Street continues to provide breast diagnostic services in a caring and compassionate environment. Dr Linda West at the medical team at GBC, specialise in early detection and treatment of breast cancer. Mammography services including ultrasound and biopsy of the breast are available for patients at GBC. [www.geelongbreastclinic.com.au](http://www.geelongbreastclinic.com.au)

**Lake Imaging** remains open and is committed to provide radiology services within our communities. Given the current COVID environment, we have temporarily centralised our imaging services to 3 main clinics in Geelong; St John of God Hospital, GMI Latrobe Terrace and East Court on Ryrle Street. Our responsibility to service our Geelong Cancerians in a safe environment is always our primary focus.

# Piccadilly Market is now Piccadilly General Store and open for business during COVID-19 in Central Geelong in James Street off Little Malop Street.

Like many businesses, Piccadilly Market has been completely shut down due to Covid19 restrictions. I have managed to reinvent my Market into a beautiful little General Store where I am able to continue to support all the Makers who have nowhere to currently show their goods.

40+ Makers goods are in store including Clothing, Jewellery, Homewares, Wall Art, Plants, Gourmet Food, Candles, Children's Products and more

If you purchase just one small item, it can make a HUGE impact and make you feel pretty good too.

I am happy to organise contactless pick up and free delivery within 3km for purchases over \$50

I am putting together lots of lovely care packages for people needing a lift.

Social Distancing requirements are in place, sanitisation and constant cleaning.
