## Thank you message from our founder

Sam Walton the founder of Walmart is quoted as saying "We're all working together, that's the secret". Working together Geelong Region Cancerians can help beat cancer.

Support by attending events held to raise funds for research into all cancers presented throughout the year is greatly appreciated, as is promotion of the events to your family, friends, and colleagues.

The next Geelong Region Cancerians (GRC) fundraiser is the popular Grand Final Celebrations afternoon at the Piano Bar on Sunday 18 September 2022 - a great way to come together. (Further details in this Awareness Bulletin).

## Trivia Night

The trivia night was enjoyed by an enthusiastic crowd of attendees. The GRC thank the event major sponsor Lake Imaging and venue sponsor Lions Club of Geelong for their support towards the successful fundraising evening.

Quiz Master Max Hamond gave freely of his time delivering rounds of rapid-fire questions which resulted in much hilarity and laughter.

Thank you to event organiser Deb Fribbins and committee members who ran a fun filled night. Through the generosity of donors, the silent auction and raffle had a range of sought after items.

The positive feedback as people were leaving was that they thoroughly enjoyed the night and looked forward to coming again next year.

## Grand Final Celebrations

On Sunday 18 September the Piano Bar in Little Malop Street Geelong from 12:00pm – 3:00pm is the place where even non-football fans will be amused and enjoy the action.

The event is being generously hosted by Piano Bar Owner Andy Pobjoy. Finger food will be supplied and drinks can be purchased at the bar.

In addition to the great Piano Bar entertainment, former Geelong Cats player and media personality Dwayne Russell and K-Rock football commentator Tom King will have you laughing as they talk about the 2022 AFL season and their predictions for the grand final.

Attendees are encouraged to wear their footy colours. The banter during the afternoon will appeal to everyone, even if they are not die-hard football fans!
