

GEELONG REGION CANCERIANS

Bellarine, Geelong, Golden Plains, Queenscliff & Surf Coast

On behalf of the Geelong Region Cancerians (GRC), thank you for reading this Awareness Bulletin. Previous editions are available on the [GRC Website](#).

Grand Final Celebrations

Thank you to those Geelong Region Cancerian supporters and their friends who purchased tickets for the fundraiser at The Piano Bar at 26 Malop Street on 18 September, which due to unforeseen circumstances did not go ahead.

To Andy Pobjoy from the Piano Bar who was sponsoring the event as he has done over previous years, we say thank you. Also our thanks to former Geelong Player and media personality Dwayne Russell and K-Rock football commentator Tom King for both being willing once again to contribute to the event as they have in the successful Grand Final Celebrations in recent times.

Canisters

As we come out of Covid restrictions, it is great to report people have been generously placing loose coins and notes into the purple and white Geelong Region Cancerians canisters on display at locations around Geelong. Locations can be found on www.geelongregioncancerians.com.au

Silver Circles

The running of the Silver Circles fundraiser for this year did not proceed.

Health Panel Discussion

The Geelong Libraries are once again partnering with the Geelong Region Cancerians to present an information evening at the Geelong Library and Heritage Centre in Little Malop Street on Wednesday 9 November 2022. The title of the panel discussion is CANCER: Beyond The Diagnosis

Join us at this free information evening proudly sponsored by HayesWinckle real estate to hear from men and women with experience, either as a specialist worker or cancer patient, of what happens beyond the diagnosis. The panel discussion is for people with a cancer diagnosis and their families and friends, as well as frontline and support workers in the broader health sector.

Booking details for the panel discussion are in the attached flyer. The direct link is <https://events.grlc.vic.gov.au/event/7215746> Please feel free to distribute the flyer amongst your family and friends – it could be a step on the successful path to a good recovery.
