

*On behalf of the Geelong Region Cancerians (GRC), thank you for reading this*

*Awareness Bulletin. Previous editions are available on the [GRC website](#)*

The Geelong Region Cancerians' supporters are so generously warm hearted, unlike our cold weather we are experiencing at the moment and continue to progressively support our aim to raise funds for the Australian Cancer Research Foundation.

Thank you to those of you who have directed your friends and families to the locations where we have our GRC Collection Canisters displayed. This ongoing prospect for a donation to be made (yes there are still lots of people who carry cash) is a quiet achiever in the scheme of our fundraising.

The display of businesses shown in our last Awareness Bulletin has resulted in people seeking out the canisters at their locations. Please consider letting the business owners know as you put spare coins and notes into a canister that their assistance with the opportunity is greatly appreciated.

Locations of the GRC Collection Canisters can be found on <https://www.geelongregioncancerians.com.au/donations/>
